Please find below and/or attached an Office communication concerning this application or proceeding.

### **DETAILED ACTION**

The brief does not contain a concise explanation of the subject matter defined in each of the independent claims involved in the appeal, referring to the specification by page and line number, and to the drawing, if any, by reference characters; and/or does not identify the structure, material, or acts described in the specification as corresponding to each claimed function for every means plus function and step plus function for each independent claim involved in the appeal and for each dependent claim argued separately by reference to the specification by page and line number, and to the drawing, if any, by reference characters, as required by 37 CFR 41.37(c)(1)(v).

Appellant fails to identify what are the information events (or provider events), content, and object data recited in the preamble of independent claims 1, 13 and 18.
